Design concepts

We are collating a number of design concepts which we have created to inspire you. Whilst they are copyrighted to us, we hope they spark ideas in you.

If you love our work, or any idea we have created, you can get in touch to talk to us about buying it.

What we ask for

We ask for a 25% deposit after our initial meeting/discussion and prior to the design process. This helps pay for the bits we need to make your designs awesome.

‡ we offer a discount to anybody that is not making a profit (such as charities and small groups) as well as anyone living in the village of Harrietsham or within 3 miles of the village. This helps us give something back to our village and help the local economy grow.
